National Intelligence Council

Mr. Lionel H. Olmer
Under Secretary for
International Trade
Room 3850
Department of Commerce

Dear Lionel:

Thanks so much for loaning me the Chicago Council on Foreign Relations Public Opinion Survey. As you said, it is an especially interesting piece of work. Most interesting to me was the finding that support for this Administration's policies is greater among the general public than among the leadership. This bodes well for the future.

It was good to talk with you. Let's do it again in the not-too-distant future.

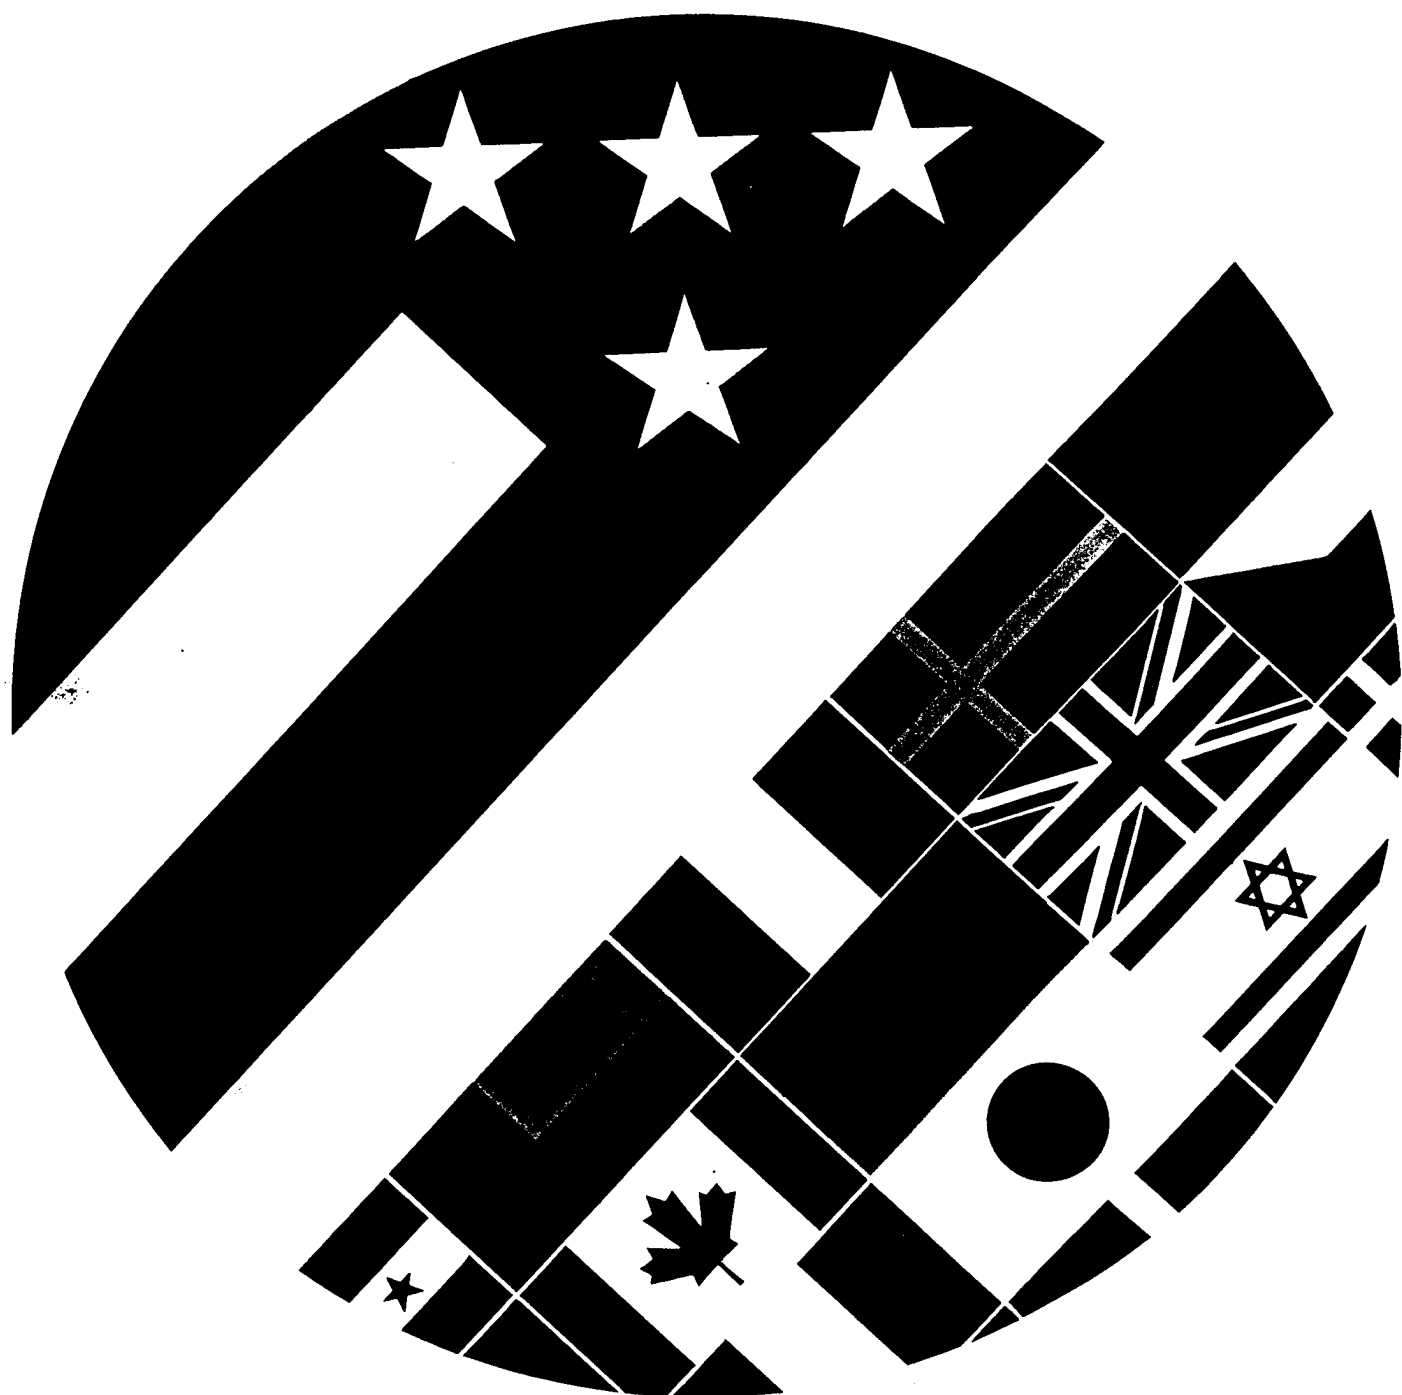

Sincerely,

Herbert E. Meyer
